

Grown-Up Soda

St Thomas the Apostle's Junior High School Youth Group Fall Calendar

Grown-Up Soda, or GUS, is an outreach of St Thomas the Apostle to all 7th and 8th grade students! As a group our goal is to discover the life-giving waters that Jesus promised- that our thirst for *more* would be quenched. Most soda these days is made from loads of salt, leaving your thirstier than before! Together we are in search of a soda for grown-ups. This soda from above may seem less sweet at first- but it's all natural. The truth is- God alone can quench our thirst!

During the school year we meet two Fridays each month. Regular GUS meetings include active games in the gym, snacks, small groups, and lively discussions on our faith! Entrance and pickup are by the school gym. Monthly Socials away from St Thomas require a permission slip, which must be submitted by listed deadline. There will be a small charge for Socials to offset costs.

Students participating in the Confirmation Preparation Program must attend four GUS meetings to satisfy the requirement. A Spring Calendar will be issued in December for GUS events January through May of 2010.

Event Date	Event Description
09/18/09 Friday 6:30-8pm	<i>GUS Meeting: The Thirst for More</i>
