### QUOTE OF THE WEEK

"Souls of prayer are souls of deep silence. We cannot place ourselves directly in the presence of God without forcing ourselves to an inner and an outer silence. Therefore, we have to get used to the silence of the spirit, of the eyes, and of the tongue. God speaks in the silence of our heart, and we listen. And then we speak to God from the fullness of our heart, and God listens. And this listening and this speaking is what prayer is meant to be: that oneness with God, that oneness with Jesus."
