

Welcome back for another great year of Middle School Youth Nights! I am geared up and ready for a great year!

Last year we brought in a new program that is awesome! One night a month we will be having "**LIFE ON THE EDGE!**" These are going to be nights that are filled with fun, sharing, faith talks, and did I mention...FUN!! Life on the Edge is similar to Life Nights for the high schoolers, but made appropriate for the middle school age.

Who is invited to come to youth nights? Well, EVERYONE!! I encourage you to invite your friends to join us who are currently in 6th-8th grades. We will be meeting in Marian Hall every Wednesday except when noted. We will be starting at **6:45** and ending at **8:00** unless otherwise noted.
