

Introducing...

Mrs. Tammy DeLand ***Grade 1, Kindergarten***

Years in Profession 16

Years at St. Joseph Catholic School 13

Certifications/Degrees

Bachelor of Science. Certified for grades K-8 (all subjects) and grade 9 (science). Working toward Master's degree in reading.

Special Teaching Methods

Well-structured classroom environment. Interactive approach to learning. Belief that phonics is foundation to reading. Christian beliefs and morals are integrated with academic learning.

Things I Value

Religion and family are the top priorities in my life. I treat my children in my classroom like they are my family. I love children, and I want to play a vital role in shaping a child for the future.

Why I Choose St. Joseph's

I grew up in Erie and attended St. Joseph School, so it really feels like home here! I get to teach children of parents who I went to school with.

Personal

Grew up in Erie and attended St. Joseph School. Made these sacraments at St. Joseph Church: Baptism, First Communion, Confirmation, Marriage. Currently married and living in Carleton. Three children.

Mrs. Tammy DeLand

Just one of the wonderful members of the St. Joseph Catholic School faculty!
