Bachelor of Arts and Elementary Education certification, University of Michigan.
Endorsements in language arts and social studies.

Special Teaching Methods

Reading literature circle groups, daily oral language, proofreading sentences, journaling, essay writing, review games (such as bowling and "jeopardy").

Things I Value

I have grown up Roman Catholic, and I believe strongly in living a Christian lifestyle.

Why I Choose St. Joseph's

It is the school and environment with which I am most familiar with and most comfortable. I believe that through teaching in a Catholic school my faith and knowledge can grow alongside the students. I value the school-wide discipline and student-teacher respect at St. Joseph School.

Personal

Graduated from St. Joseph School and Saint Mary Catholic Central.

Mrs. Janelle Nowitzke,

Just one of the wonderful members of the St. Joseph Catholic School faculty!
