

*Be Forever Remembered
As Part of the
St. Jude
Catholic Church Family*

The beautiful, quiet and peaceful St. Jude Memorial Garden is available for lasting memories for your loved ones. A Mass is said each month for those who are forever remembered in our Memorial Garden.

A granite paver in the Our Lady of Mount Carmel Grotto area is a wonderful way to memorialize a loved one who has passed away or to make a lasting gift for a birthday, anniversary, or other important occasion. An anniversary memorial Mass will be celebrated each year on the date requested by the donor.

Be remembered daily by all who pass through the school breezeway.

A stone bench with inscription gives you an opportunity to commemorate a family member, friend, or group of friends in a lasting and thoughtful way.
