

Fish Fry Parking

Did you know we actually have 3 parking lots at St. Mary?

- ◆ Our main parking lot is located off of Cecil Henderson Road . There will be a parking attendant directing you to a parking space depending on your eating in or picking up an order.
- ◆ We have two other parking lots located below the church. These lots are located on either side of the Assumption Hall (CCD Building). Enter these lots by turning on to Cecil Elementary Drive just below St. Mary. Both of these lots are paved and within easy walking distance to the Fish Fry. There is no attendant at these lots so you can pick your own spot!

Smart Tip: *Parking below the church will help you effortlessly get some exercise for the day as you stroll on up to the Church Hall for your delicious lunch or dinner!*
