Receive God’s Glorious Gifts through His Word

Catholic Bible Study leads us to a deeper understanding of the Bible, a greater awareness of God’s living presence in sacred Scripture and a greater appreciation of how the Bible applies to our daily lives.

This program has four essential elements:

- In **Daily Personal Study** we are asked to prayerfully read, reflect and respond to questions on an assigned section of scripture.
- We gather weekly in **Small Groups** of 10-12 to pray and to discuss the insights gained from answering our questions. It’s here that we come to appreciate how the Lord is working in our lives and in the lives of those around us. It is here that lasting friendships and a sense of community are built based on the Lord’s Word.
- A wrap-up **Lecture** follows the small-group discussions to highlight the themes of the lesson.
- **Prayer** is the most essential element that opens, closes and inspires all facets of our Bible Study.

Have you wanted to study the Bible but didn’t know how? Come join us and learn how Scripture study can deepen the connection between your faith and your everyday life.
