Knights of Columbus INSURANCE

YOUR SHIELD FOR LIFE

Tax Time again, this month, I chose to pass up the chance to use the old cliché about the two things that we must do. This season, in most homes, is financial accounting time. At some point you will probably ask "Where did all of the money go?"

Most of us feel fortunate if there is enough to pay the bills let alone for investments or insurance. The point is that we must think of those we leave behind if something were to happen to us. With that in mind your order has designed a plan which guarantees to continue income for your family for as long as they will need it. What's more this plan will enable you to systematically save some of those dollars so difficult to account for at TAX time.

Call your insurance Representative Bill Winger at 814.677.2342 for an appointment he wants to hear from you.

GOOD SAMARITAN: A Sunday school teacher was telling her class the story of the Good Samaritan. She asked the class, "If you saw a person lying on the roadside, all wounded and bleeding, what would you do?" A thoughtful little girl broke the hushed silence, "I think I'd throw up."
