 Real Questions. Real Dialogue. Real Faith.
Spring Calendar 2010

The Village is an outreach of St Thomas the Apostle to all high school students. As a group, our mission is to prepare each of us for our encounter with the Risen Christ, especially in the Blessed Sacrament. Some of us may have doubts like our patron St Thomas did. Others have already joined St Thomas in those words of faith, "My Lord and My God!" Like St Thomas, we are asking real questions, having real dialogue, & developing real faith.

During the school year, the Village meets on Sunday nights from 5-6:30pm. (Entrance & pickup are just past the green awning.) We will also have socials & service opportunities. The highlight over & above all of these activities will be our Spring Retreat. This weekend retreat away from regular life will be a chance for renewal, fun, & prayer!
